

Fifty Pounds Reward!

W H E R E A S, · ETHELINDA MARGARETTA POTTS, the Wife of CUTHBERT POTTS, of Pall-Mall, in the Parish of St. James, Westminster, Surgeon, hath absented herself from her said Husband, and cruelly abandoned her Three Infant Children:

And whereas, a certain young Attorney has boasted, that he will protect this ungrateful Woman and unnatural Mother, affecting a disregard of Consequences which may arise from a CORRESPONDENCE, now in the Press, with also a Sketch of the eventful History of this great little Man, whose Mind, as well as Form, seems stamp'd and impress'd from the same Mint; also displaying the Finesse, Tricks, and Manœuvres of his Colleagues, and of his many Predecessors in the honourable Office of this Lady's Attorney.

This is to give Notice, notwithstanding the Vaunting of this virtuous Limb of the Law, that whoever will inform her said Husband, where the aforesaid ETHELINDA MARGARETTA POTTS now secrets herself, so that she may be secured, shall receive a Reward of FIFTY POUNDS, by applying as above.

N. B. In her person she is short and corpulent, her Face round and bloated, a pale Complexion, and a full dark blue Eye, a Nose rather aquiline, and in the lower part of her Face she has a strong family Likeness to her only Sister, the worthy Lady of Thomas Meggison, of Hatton-Garden, Solicitor, and of Whalton, near Morpeth, in Northumberland, Esq. She is about the age of Forty, though the corroding Canker on her Mind marks an older look; her Speech, which is generally introduced with a hem! is slow and distinct; her Voice low, without cadence, with a singular Monotony.

Her Companion, who attends her, is SALLY LANGFORD, in Stature also low, and in Person uninteresting;—a flat Face, with a turn-up or pug Nose, a quick and animated Eye, and is well known at the Fives-Court, St. Martin's-Street, Leicester-square, where her Father is a Stringer of Racquets.

This Lady rarely appears by day; she has been seen frequently at a notable Toy-shop, in Fleet-Street, facing the new Clock of St. Dunstan's Church. She is supposed to have several Places of Residence, in and out of Town, some of which are probably not far distant from the Office of the City Solicitor, Guildhall, London.
